"THE SIGN OF SATISFACTION"

THE MODERN PRODUCT FOR THE MODERN HOME

GAS

Use gas for heating—for cooking—for lighting the home, save labor and dollars. It's economical, clean and safe fuel—the efficient light.

It is in the home that the benefits of gas can be utilized to their greatest extent. Why bother with the old coal or wood stove, and its consequent dirt, waste and drudgery, when a gas range water heater and gas iron will do the same work in less time, with less effort and at less cost.

The Ardmore City Gas Co. is continually directing its efforts toward improving its service, increasing the uses of gas for both fuel and light.

All housekeeping becomes LIGHT housekeeping when gas is used. It is equally economical in the two-room flat or ten-room house.

The Ardmore City Gas Co. will gladly send a man to YOUR home to consider YOUR individual requirements. This service will be rendered without any charge or obligation on your part.

MISS FLORENCE M. PEET'S Special Recipes.

APRIL SALAD

- 1 Head of Lettuce
- 1 Bunch of Radishes
- 1 Bunch young Onions
- Handful of cress

PREPARATION—Wash all the vegetables and dry in a napkin, line a bowl with the outer leaves of the lettuce, cut radishes in thin slices, onions in lengthwise strips, pile all lightly in a bowl. Add center leaves of lettuce. Cut the whites of two hard boiled eggs in rings. Garnish the edge with these. Press the yolks through a sieve in the center of the bowl. Over all pour vinegar seasoned with dark red pepper, and a little lemon.

BANBURY TARTS

Filling

- 1 cupful raisins
- 1/2 cupful currants
- 2 large soda crackers
- Juice and rind of 1 lemon

PREPARATION—Roll crackers, mix ingredients. Roll pastry very thin. Cut in rounds, place 2 teaspoonfuls of the mixture in center, wet edges, fold, press edges together with fork dipped in flour. Snip holes in top with scissors. Bake until brown, in hot oven.

FLAKE PASTRY.

2 cupfuls flour
8 tablespoonfuls Crisco
PREPARATION—Sift flour and salt and cut half the crisco into flour with knife until it is finely divided. The finger tips may be used to finish blending materials. Then add water sparingly, mixing it with a knife through dry materials. Form with the hand into dough and roll out on a floured board to quarter inch thickness. Spread one-third of remaining crisco on two-thirds of dough nearest you, fold twice, to make three layers, folding in first that part on which crisco has not been spread. Turn dough, putting folded edges to the sides; roll out, spread and fold as before. Repeat once more. Use a light motion in handling the rolling pin and roll from center outward. Should crisco be too hard, it will not mix readily with flour, in which case the result will be a tough crust. Sufficient for two covered pies.

SULTANA MUFFINS

- 2 cupfuls flour
- 3 teaspoonfuls baking powder
- 2 tablespoonfuls sugar
- 1 teaspoonful salt
- 6 tablespoonfuls melted crisco
- 2 eggs
- 1/2 cupful milk
- 1/2 cupful raisins

PREPARATION—Sift together three times dry ingredients, add milk, then beaten eggs, then melted crisco. Lastly add raisins. Bake 20 minutes.
